

Shubham Kumar, student of **B. Tech. IT 3rd Year** at **Galgotias College of Engineering and Technology** turned his dream of working with Google into a reality. He has been selected to become a part of **Google Developer Student Club** which is a new venture by Google and launched only in India. Shubham was one of the 2000 applicants from across the country who dreamt to be a part of this prestigious club. With utmost dedication and perseverance Shubham secured his position among 185 club members across 90 cities of India. Currently Shubham Kumar is at the Position of **Student Lead Coordinator** and is representing Galgotias College of Engineering and Technology at **Google**. We congratulate Shubham for his tremendous success and we hope that this will inspire many more Galgotians to scale greater heights and make their college proud.
